Welcome

Back from lockdown, Student-Led Conferences & Good luck to some Grey Street Staff

Back from lockdown

It has been fantastic to once again see our students return so smoothly from a week of lockdown and remote learning.

It is a credit to our students and wonderful families that we can transition so easily between on-site learning and remote learning, utilising the digital skills we've all needed to improve so quickly over the past year and a half.

We will all keep our fingers crossed for an interruption free rest of 2021!

Student-Led Conferences

Our Student-Led Conferences have been rescheduled for the evening of Thursday June 17th, and the day of Friday June 18th. Please note, June 18th will be a student-free day .

In accordance with current DET restrictions, these conferences will take place virtually; as we did in 2020. More information for booking your SLC and access to the virtual link will be circulated via Compass tomorrow.

Major Rescheduled Events

At this stage the following events have been postponed with new dates to be confirmed following the lifting of DET restrictions:

Remote Learning Feedback

We all keep our fingers crossed that we do not encounter any more lockdowns, however we would still appreciate feedback from our families for how the latest remote learning effort went.

Goodbye & Goodluck

On behalf of the Grey Street community I would like to thank the following staff for their efforts and commitment to our school and wish them all the best for their new endeavours:

- **Brianna Simpson**—Mrs Simpson has been appointed Assistant Principal at Trafalgar Primary School. Mrs Simpson has been playing a pivotal role at our school as our Professional Learning Communities and numeracy leader.
- **Chelsea Fox**—Miss Fox has left Grey Street to pursue other career interests. We will still be lucky enough to see Miss Fox around on a casual basis in the meantime.

Good luck Mrs Simpson & Miss Fox!
