## Welcome

**Welcome back to Grey Street to all our families!**

### Return to On-site Learning

Once again, our students have made a terrific return to on-site learning. The resilience and adaptability demonstrated by all students to continually bounce back from these interruptions should be commended.

The amazing effort our families go to needs a special congratulations. These times can be a draining and challenging experience. I'd like to thank you all for your constant support of your child and our school during these times.

I would also like to extend a special thanks and well done to our wonderful staff. Behind the scenes I get to witness the huge amount of additional work that goes into supporting remote learning. On top of that the continued effort to look out for the wellbeing of all our students from staff shows the great community we have here.

The Department of Education have set three priorities for schools as we return to on-site learning that we are focusing on and how we are addressing these:

#### **Continuation and catch up of learning.**

Tutor learning initiative  
Excursions to compliment curriculum

#### **Attendance focusses for all students to be back at school.**

Please let us know if your child is having trouble attending school.

#### **Ensuring the wellbeing of all students.**

Strong referral service  
Moby  
Respectful Relationships Curriculum  
Circle time and mindfulness activities

## WE WANT OUR PARENTS/CAREGIVERS/GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents/caregivers/guardians (previously known as the Parent Opinion Survey). It is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, student engagement and experiences of remote and flexible learning. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. . All responses to the survey are anonymous. This year, the Parent/Caregiver/Guardian Opinion Survey will be conducted from **Monday 19<sup>th</sup> July** to **Sunday 22<sup>nd</sup> August**.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

Please contact the school if you would like more information.
