YEAR FOUR - PARENT PAYMENT ARRANGEMENTS

Dear parent/guardian,

Grey Street Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Enhanced digital learning opportunities
- Maintain school grounds

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Financial Support for Families

Grey Street Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- The Camps, Sports and Excursions Fund

Refunds

Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

Yours sincerely,

DEAN GRAY – PRINCIPAL

LUKE HORNSTRA – SCHOOL COUNCIL PRESIDENT
