Grey Street
Primary School Traralgon

Dear parents,

This letter provides information about voluntary contributions you can make to support Grey Street Primary School for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Grey Street Primary School offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact: Ashlee Johnson, 51742055.

If you need an interpreter, please contact 03 9605 3053 and give our school's phone number 5174 2055. An interpreter can help you speak with us. This service is free. For more information, please see How to use an interpreter to contact your school.

For more information on the Department of Education's Parent Contributions policy please see the information attached. You can read the full policy at Parent Contributions: Policy | education.vic.gov.au.

Yours sincerely

FREE INSTRUCTION

Schools give students free instruction in the curriculum. This includes:

- Free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.
- The Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major, and the Victorian Pathways Certificate.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools will provide students with free access to what they need for curriculum delivery.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link to the department's Parent Contributions policy.
